DETAILED ACTION

Reasons for Allowance

1. The following is a statement of reasons for the indication of allowable subject matter.
2. Claims 1, 3, 5-16 are allowed.

Claim 1 is allow over the prior art of record, because the prior art of record does not disclose "a threshold temperature setting unit for setting a first threshold temperature if speed of said vehicle is lower than a predetermined speed, while setting a second threshold temperature, which is higher than said first threshold temperature, if said speed of said vehicle is equal to or higher than the predetermined speed". Along with the remaining parts of the claim.

Claim 6 is allow over the prior art of record, because the prior art of record does not disclose "a threshold temperature setting unit for setting a first threshold temperature if brightness around said vehicle is higher than predetermined brightness, while setting a second threshold temperature, which is higher than said first threshold temperature, if said brightness around said vehicle is equal to or lower than said predetermined brightness". Along with the remaining parts of the claim.
